Important notes

- Postgraduate students (including exchange students and scholars) can register for their desired courses via the on-line course registration system during the course registration periods.
- There are two times for course selection in each academic year, one in late August/early September (Autumn Semester) and the other in January/February (Spring Semester). The actual dates vary from year to year depending on the academic calendar.
- 3. Curriculum schedule of the English taught programs can be downloaded from the Graduate School homepage

http://gs.xmu.edu.cn/en/.

- 4. Students are strongly encouraged to consult their supervisors or program secretary/coordinator the courses they should are required to take before starting to register for courses.
- 5. Preparation for Course Selection
 - a) Read the regulations.
 - b) Check the study schedule of your program.
 - c) Check the teaching timetable.
 - d) Check the course selection schedule and confirm whether selection of courses is required by your program.
- 6. Students can sign up for courses during the course registration periods or withdraw the selected courses before the course withdrawal deadline. The course withdrawal deadline is normally one week after the course selection period (please refer to the schedule of the relevant semester). After the course withdrawal period, students will not be allowed to drop any courses.
- 7. Students who fail to complete the entire lessons or to participate in course work and examinations will receive zero score for that course.
- 8. Please be reminded that the course selection system may get crowded when the deadline is near. Therefore, students are suggested to sign up for or withdraw from any course as early as possible.
